

NOTICE

Dual membership of MSIC with European Society of Intensive Care Medicine (ESICM)

The Malaysian Society of Intensive Care (MSIC) has entered into a dual membership agreement with the European Society of Intensive Care Medicine (ESICM). This dual membership entitles members of the Society a number of benefits including:

1. Dual Membership Scheme

1. Members can join ESICM at a significantly reduced fee of €130 for the membership year 2023
2. This rate will be reviewed on a yearly basis by ESICM who will announce the forthcoming rates three months before the beginning of the new membership year.
3. This rate will provide the MSIC member with full membership rights for ESICM
4. This offer is valid from 1st January 2023 to 31st December 2023 and will be automatically renewed on the anniversary date. Collaboration can be ended with a written statement to the other party three months before the anniversary date.
5. To be eligible for this offer, individuals will need to be in good standing with the Society for the preceding year

2. ESICM Membership Benefits

This reduced membership fee will contain all of the major advantages of regular ESICM membership. These rights will include:

1. Annual subscription to ICM journal
2. AppIC: Dedicated App for Nurses
3. Airspace WebApp: your antimicrobial compendium
4. Scientific sessions from past conferences
5. Free access to the ESICM Academy
6. Apply for research grants
7. Collaborate on international trials
8. Fellowships for young intensivists
9. Mentoring for young intensivist
10. Free educational pathways
11. Reduced fees for ESICM conferences
12. Reduced fees for ESICM Master Classes and EDIC & EDEC diplomas
13. 40% discount on article processing charges for ICMx
14. 25% discount on the list price of Lessons from the ICU Book series
